WEEKLY DATA FORM

Student Name:_____

Name(s) of instructors:_____

Date:_____   Unit:_____

	Successful (S)	Developing (D)	Unsuccessful (U)	Comments
Learning Goal 1:				
Learning Goal 2:				
Learning Goal 3:				
Learning Goal 4:				
Learning Goal 5:				

Learning Goal 6:				
Learning Goal 7:				
Learning Goal 8:				
Totals				

Notes:

This chart may be customized to track student progress for specific learning goals. For example, in a unit on kitchen habits and cooking, learning goal 1 might be filled in to read "student independently washes hands before and after handling food." Instructors can then log the frequency each student is "successful," "developing," or is "unsuccessful" at meeting the learning goal. The threshold for mastering a learning goal can be individualized for any student.
